OF RIVERSIDE HIGH SCHOOL

DEDICATION

We, the class of '54, dedicate this year's "Skipper" to the department of mathematics. Through the training we have received from them in logical and scientific reasoning, we have learned to concentrate and think more directly. As a result, we are better able to weigh, consider, and decide upon the future moves and countermoves of our lives. We wish to thank them for their keen interest in our problems and for their patience in assisting us when our foolish moves led us astray.

FOREWORD

We have chosen as our theme for this book the symbolism that is suggested by the royal game of chess. Each one of the men on the chess board represents a section of the book. During our freshman year we started our game as pawns with a challenge before us. If we strayed from the path that would bring us to our goal, we were guided back again by our teachers, the bishops. At last we, as Seniors, have become kings and have temporarily completed one game of chess. After graduation we shall commence a new game that will require keen concentration, wise judgment, and all the training we have acquired to be played successfully.

ADMINISTRATION

BISHOPS

Like bishops in chess, teachers have one constant path to follow—to lead the students in the walks of life. Through their expert guidance, students are helped to make correct moves. The faculty's steady course and perspicacity conquers obstacles, just as bishops remove the opposition's chessmen in order that their chess pieces will be safe for future plays.

Mr. Spear's Message to the Graduates

"The Chess-Board is the world, the pieces are the phenomena of the universe, the rules of the game are what we call the laws of Nature. The player on the other side is hidden from us. We know that his play is always fair, just, and patient. But, also we know, to our cost, that he never overlooks a mistake, or makes the smallest allowance for ignorance."

—Thomas Henry Huxley

Our Year Book is dedicated to chess. This game is played on a special board with 32 pieces, and was played by the ancients several centuries before Christ. Playing of the game demands a leisurely and meditative consideration. Its name is derived from the Persian Shah, meaning King, which is a most vital piece. The kinship between the King and the English check-mate is apparent. The extent of a player's ingenuity in escaping from a check-mate may well be a test of his resourcefulness. Chess is as near a perfect game as man has devised, and is a test of skill in which luck plays no part.

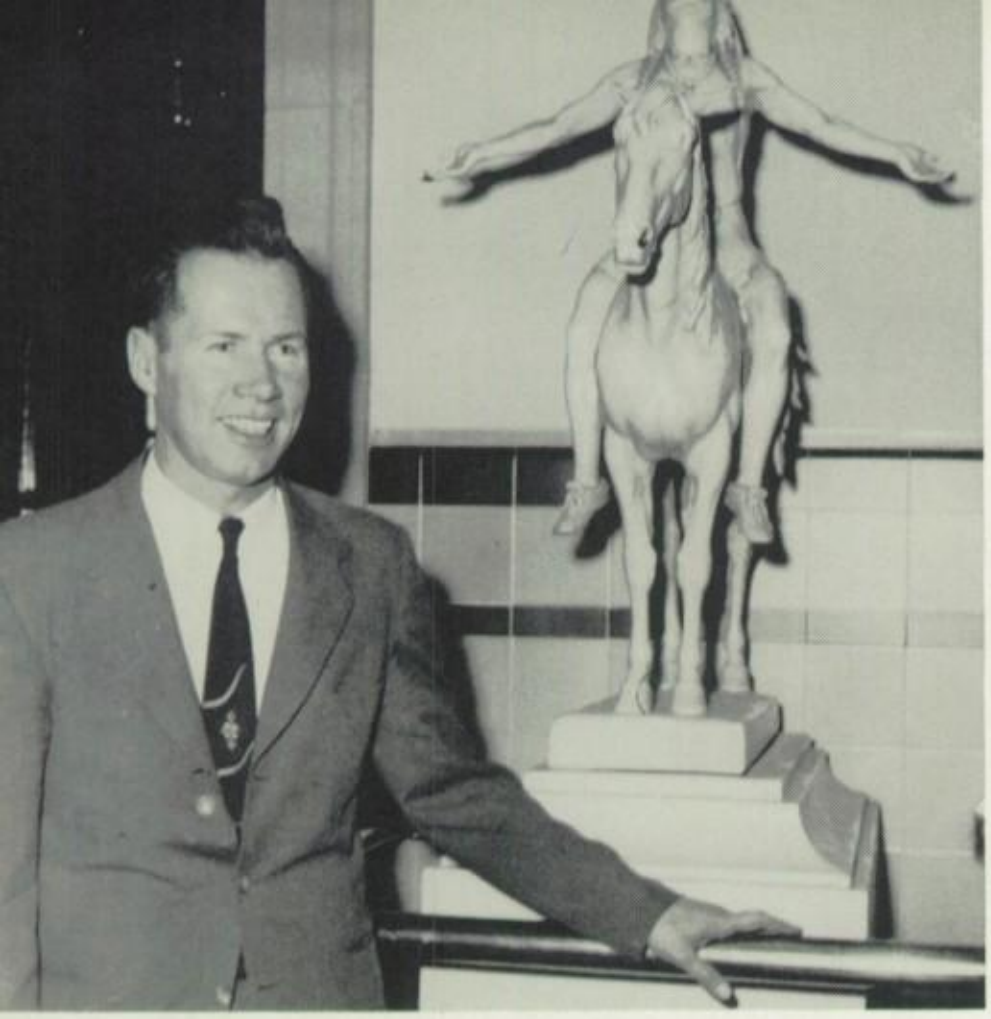
My parting message to you, the Class of 1954, is to play the game of Life according to rules. As the game of chess requires the player's ingenuity, so your work at Riverside High School has demanded your constant study and continuous practice in developing and testing your skills. Your education should save you from making mistakes, and inspire you to play fairly, to be resourceful, and always to do your best.

Our Heavenly Father, who has ordained that whatever is to be won is to be accomplished by endeavor, give us earnest hearts to make the best use of our talents. Make us diligent in our future activities, and earnest in all our tasks, and by doing faithfully the things we know we should, may we grow to love our work. May we not become weary in well-doing. Bring us safely through the perils which may beset us, and lead us into the way everlasting.

The friendships you have made with your faculty and school mates, I trust will be cherished memories. May God be with you as you go out into the world.

Sincerely,

Ray W. Spear



MR. ROBERT McGOWAN
Assistant Principal

Consider the chess player as he sits intently planning his next maneuver. His interest in this tournament of thought has lighted a flame that will glow during countless leisure hours. Others found enjoyment in dramatics, or tennis, or another of the many activities at Riverside. May the enthusiasm which has been kindled in your hearts during four years of "purple and gold" forever brighten your lives.

Counselors

MISS SARAH FORD

MR. LEWIS MILLER

An attractive display in the personnel office

Students are welcomed at all hours by both girls' and boys' counselors. Here they may discuss personal or curricular problems, learn of scholarships, and browse through college and training program catalogs. Much has been done in our school to determine aptitudes and abilities of pupils to assist them in determining their future vocations.

MISS ALENE SNELL

Courses in Mathematics not only lay the foundations of algebra for beginners, but give opportunities to students in more advanced work. Students who plan to follow engineering, scientific, and architectural careers find these courses valuable. Training in the direct, scientific solving of problems, precision, and accuracy is of lasting benefit to any student.

Business

Practice in office machines and routine

Business is the largest department at Riverside. The student obtains comprehensive enough training that he is able to obtain easily a position after he has been gratuated from high school. Some of the courses include typing, shorthand, bookkeeping, business law, business arithmetic, office practice, and retailing. In our school store, The Port Hole, retailing students put theory to practice.

Industrial Arts

In this department boys, and even girls, have the enjoyment of making things with their hands. Students may also obtain a working knowledge of the essentials of printing. Students have supplied printed tickets and programs for special occasions such as the Musical Revue. Small though this department may be, it is real asset to the school.

MR. WARREN HELWIG

Learning the printer's trade

English

Practice in oral reading

Besides the regular four years of English, students who are interested may participate in dramatics, debate, public speaking, and journalism. It becomes increasingly obvious that a sound training in all forms of English work is necessary for success in all future vocations. A man's education may be judged by his vocabulary and fluency of speech.

Social Studies

Here we hope to produce the future intelligent voters of America. The social studies are an indispensable part of the school curriculum. In these classes are laid the foundations of democracy, tolerance, progressiveness, and world citizenship. An organization such as a World Affairs Club gives evidence that students are interested in current problems.

Science

Students receive an over-all picture of this field in their first year. Those who are planning scientific careers or need science as a background obtain advanced training in chemistry and physics. Students not only learn by doing, but learn to think objectively, directly, and logically. A knowledge of science is important in this highly mechanized age.

MISS NAN O'REILLY

Languages

At present three languages other than English are offered in the curriculum: Latin, French, and German. As foreign languages are included in the college entrance curricula and not the business, the majority of students in this school have no knowledge of any language other than their own. Nevertheless, students who take other languages usually are more proficient in the use of the English language.

Art

Learning the art of ceramics

MR. RAY HELENBROOK

A variety of interesting courses is offered in this department, for both beginners and advanced students. A tour of the front third floor hall and art rooms clearly indicates the accomplishments of art students. Students learn the media of paints, pastel crayons, charcoal, pencil, and pen. They may also learn the popular art of ceramic making or the fundamentals of the drafting board.

Music

MR. HAROLD HULL

Musical tyros

Here, perhaps, is the noisiest department in the school. From the back of the first floor, issue, at all hours of the day, sounds both harmonious and dissonant, both vocal and instrumental. During the four years of high school life, many a student has begun as a struggling novice and later had the satisfaction of really being able to handle a woodwind or a brass instrument. Riverside's band has a really fine reputation.

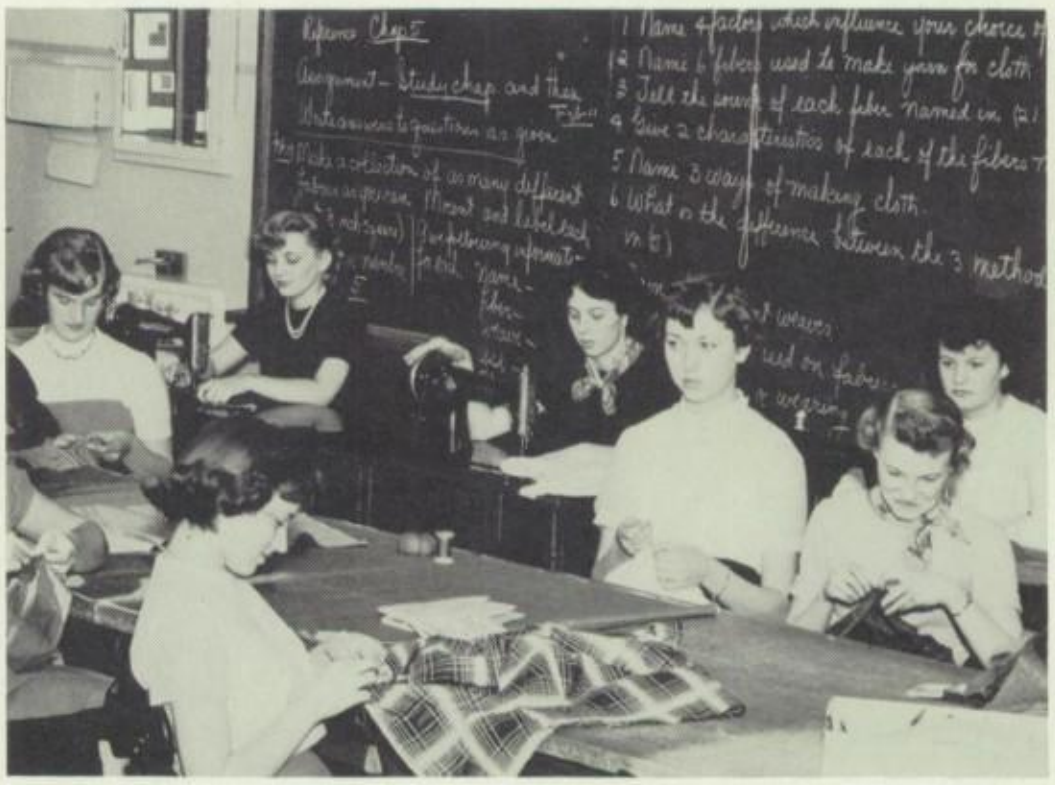
Home Economics

MISS JULIA FLAHERTY

MRS. MARY KLEIN

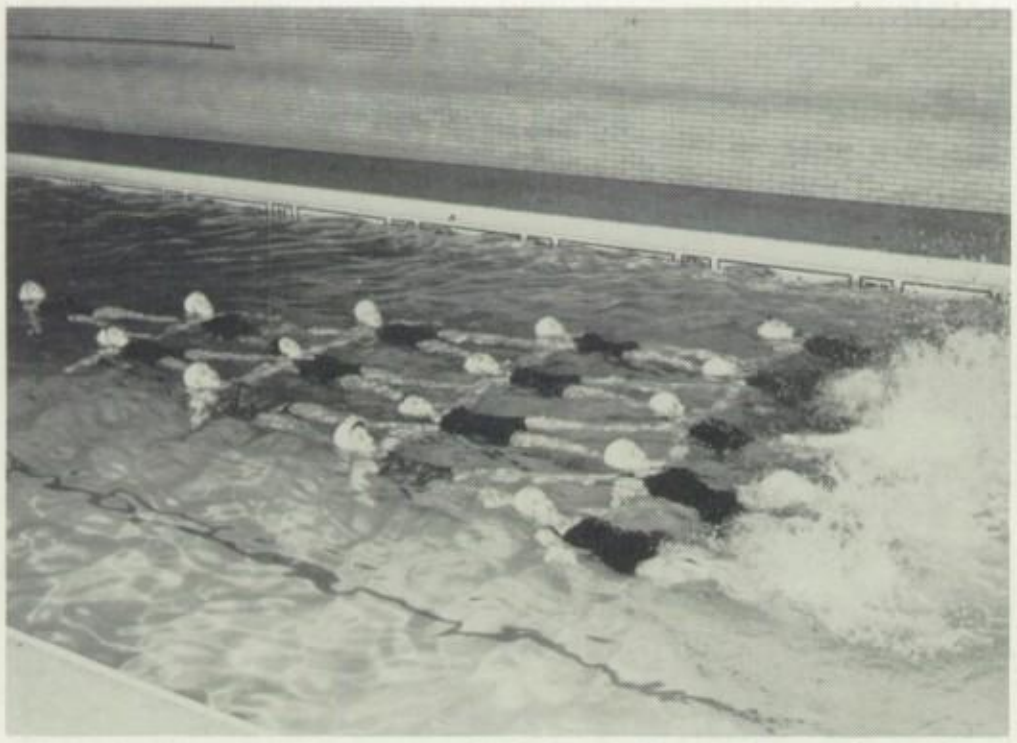
MRS. LOIS LUDLOW

All girls in the school, regardless of course, would profit by at least one year's work in the home economics department. As future homemakers they learn to sew, to cook, to plan balanced meals, to understand the fundamentals of good health, of child care, and nursing. Boys who are interested in hotel management or a chef's career also enroll in domestic science.



Future Homemakers

Physical Education



Synchronized swimming

Both exercise and relaxation, work and fun are enjoyed by all students in the school in this department. During the freshman year, students are enrolled in both gymnastic and swimming classes. After the first year, girls may select the one which they prefer. Besides the regular class training, many students engage in both inter-school and intra-mural sports.

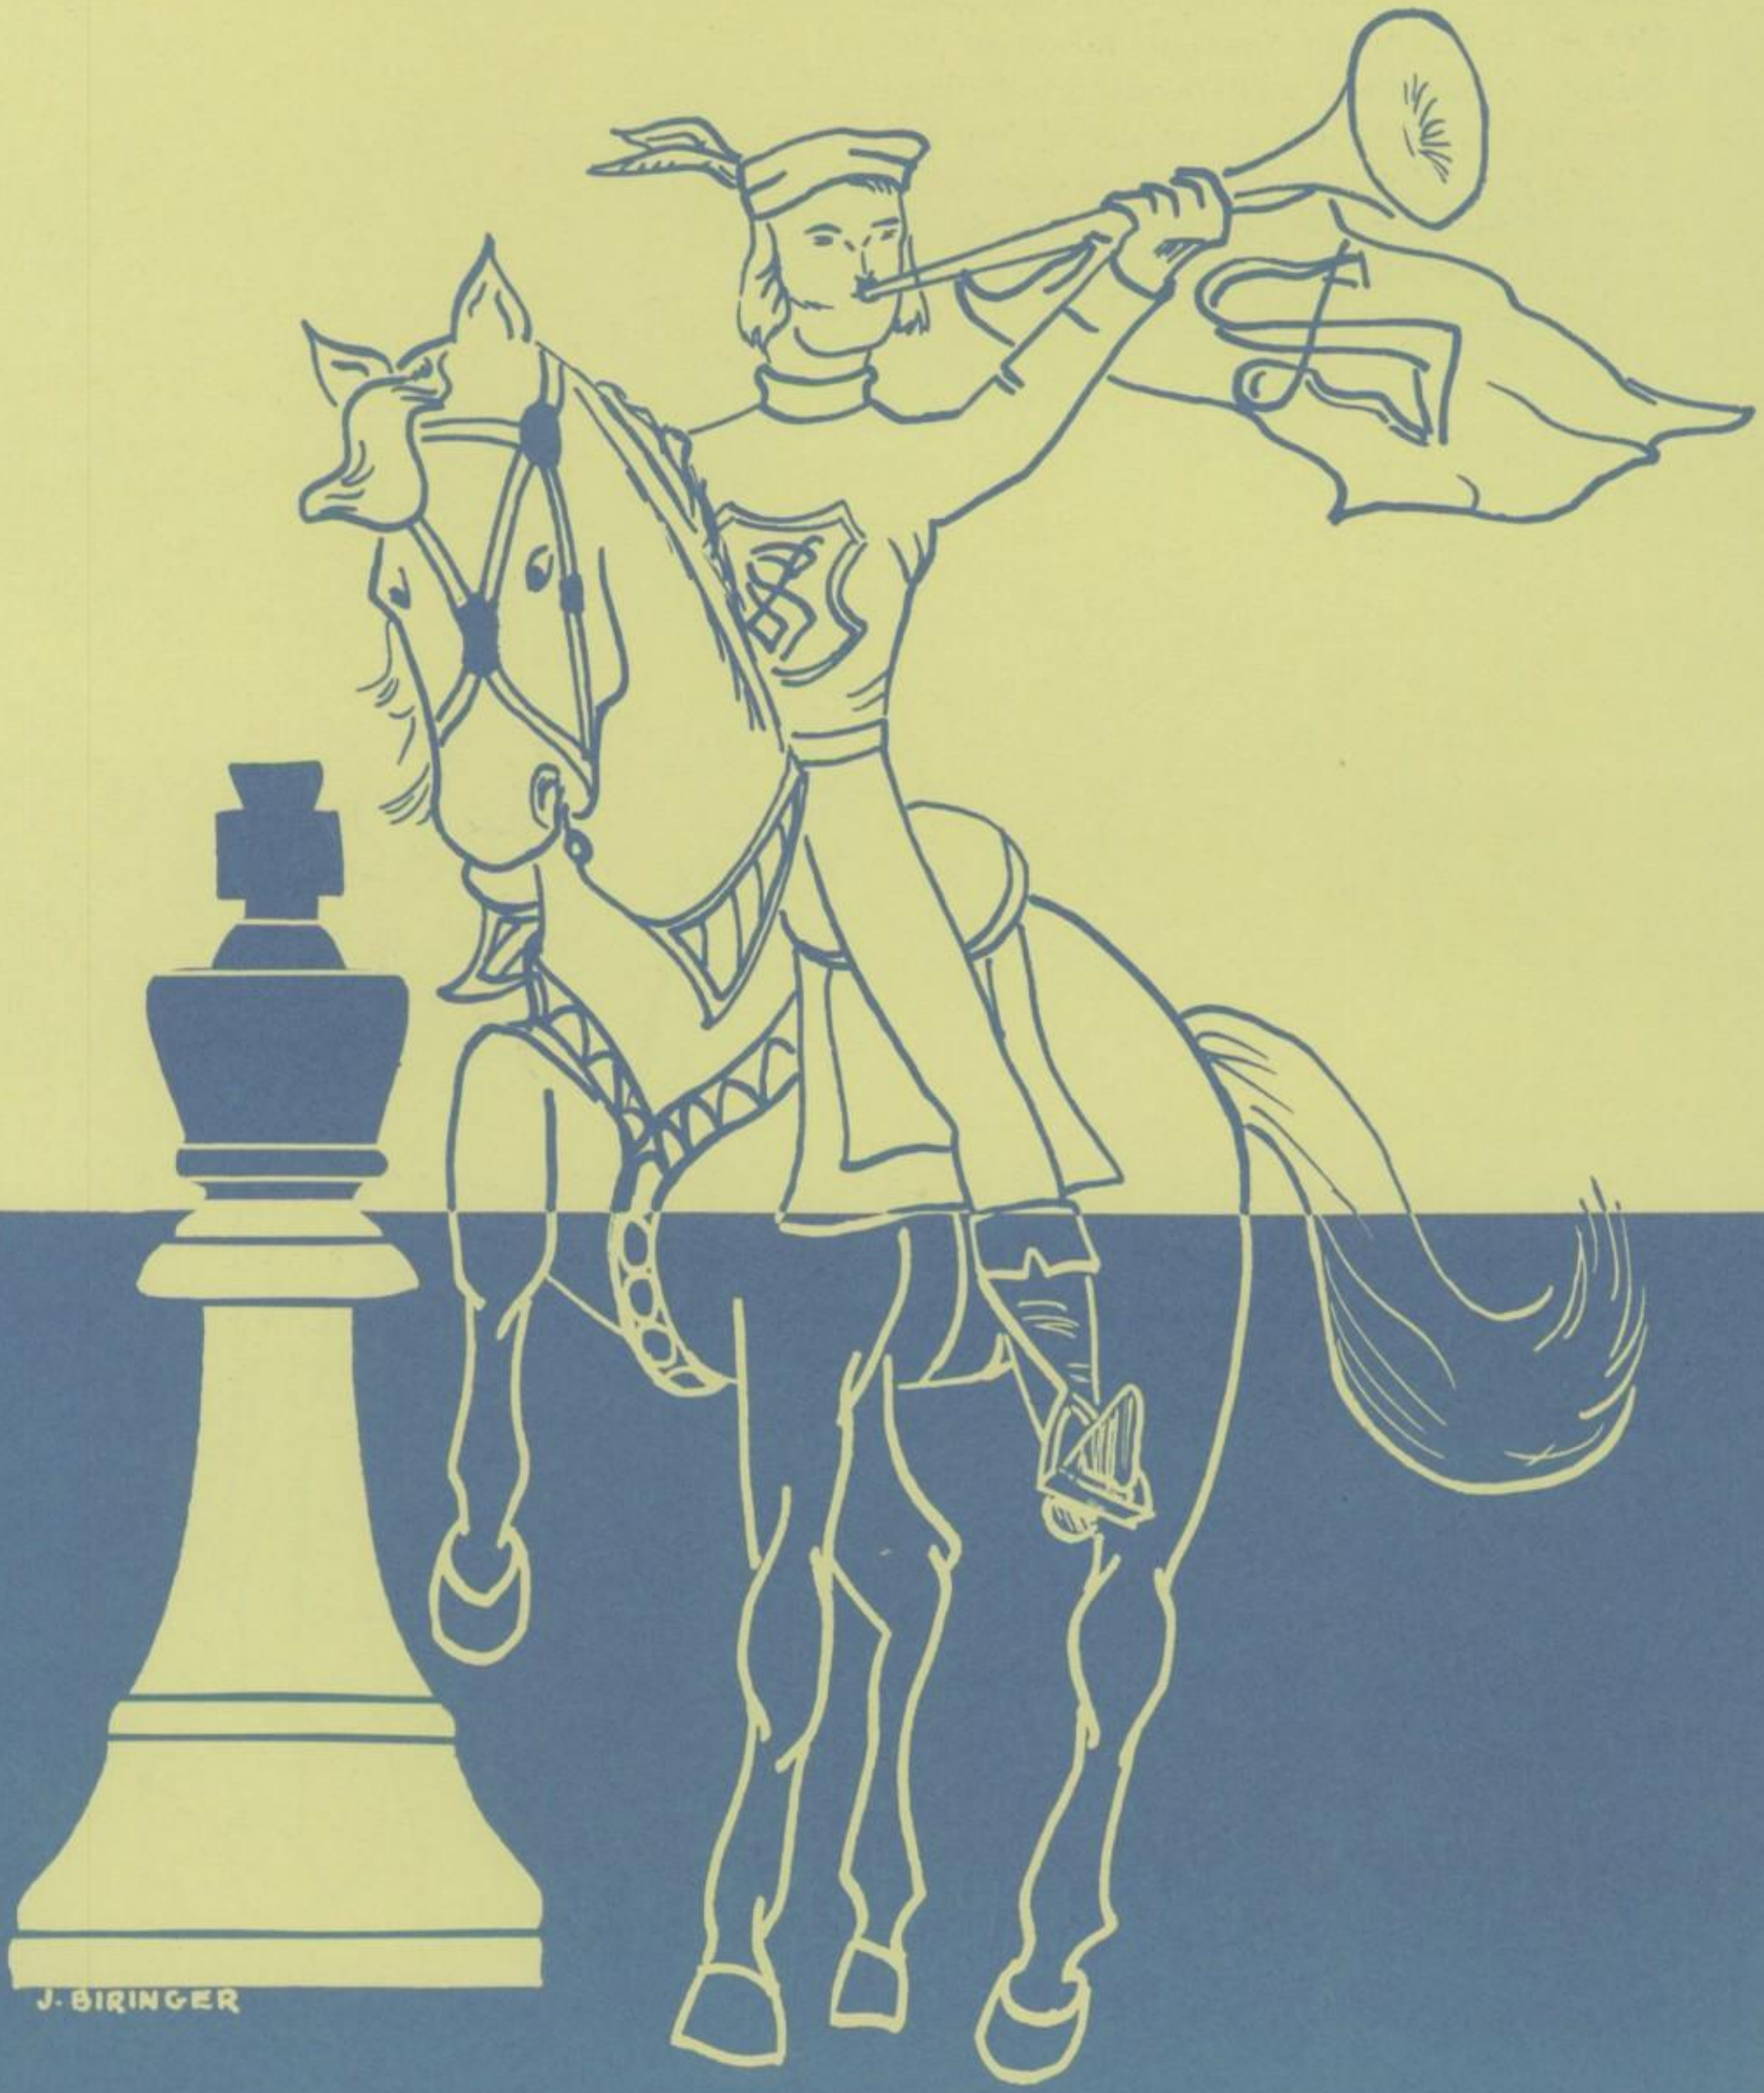
SENIORS



KINGS

As Seniors of Riverside, we have much the same function as that of kings in a chess game. We are dependent on those around us for protection, achievement, and friendship. Without their loyalty and support we should lose our will to win. We shall profit by the wise and even foolish moves we have made during our days at Riverside and strive to correct the latter in the greater game of life.

Class Poem

GRADUATION NIGHT

Diplomas, they have all been given,
The Alma Mater sung,
And while the words still echo back
The Recessional's begun.

We leave the auditorium,
And through the milling crowd
Of relatives and family friends
We walk as in a cloud.

And find a haven from the din
In deserted corridors,
Where we can wander aimlessly
Recalling days of yore.

Again we hear the classbell ring,
Again the halls are full
Of shouts and hi's and scuffling feet,
Of friends and warm hellos.

We recollect that first year spent
Within these very halls.
How cold and gray and hostile seemed
These warm and friendly walls.

It's here we learned our history
And other facts from books,
Our science, math, and chemistry,
And how a retort looks.

But more important things we learned
Than found in books at school;
We learned to give the best we have
And live by the Golden Rule.

Then suddenly we do awake
And come out of the clouds,
And once again retrace our steps
Back to the milling crowds.

We join our relatives and friends
And go from the bright light
Through those familiar, friendly doors
Into the black of night.

For our full days at Riverside
Are all behind us now,
The rallies, proms and football games;
We've taken all our bows.

We do not turn for one last look,
But go right through the doors;
We do not wish to see them close
On the class of '54.

—Catherine Raymond

PAWNS

The freshman, sophomore, and junior classes must learn the chess moves of high school life. During their first years at Riverside the freshman and sophomore pawns guard and support the more important pieces while learning the science of good chess or a knowledge of acceptable high school behavior. They work hard and often gain little recognition. However, with experience and diligent effort, they will eventually be qualified to fill the vacancies left by the kings.

Juniors

"God Rest Ye Merry Gentlemen!"

The Juniors are the veteran pawns in our chess army. During their three years at Riverside, they have become seasoned soldiers and ripe for the advancement to king which they will receive next year. Always willing to cooperate with the other pieces in our army, they have well earned this expected promotion.

They began this year's activities with the election of class officers. The results were:

President . . . . . Chester Dryja
Vice President . . . . . Kathryn Szely
Secretary . . . . . Beverly McNulty
Treasurer . . . . . Robert Bennett
Marshals . . . . . Annette Jones, John Lumadue

The Juniors actively participated in many curricular and extra curricular activities. Elaine Boerschig, Cosma Logan, Kathryn Szely, and John Majewski, all Juniors, were a few of the outstanding personalities in the annual musical Revue. Also Miss Reitz's Junior girls' home room won first prize for percentage of Revue tickets sold, while Katherine Gushue, a Junior, sold more tickets than any other student in school.

From the Junior class of '54 we have received athletes: John Lumadue, captain of the basketball team; speakers, Marion Borne, Kathryn Szely; and debater, Patricia Russell.

We wish to extend our thanks to the Junior class for their support of the school's activities and hope they have a successful year in '55.

Just as pawns are an important part of a chess game, Sophomores are an important part of a school. Because of their position, they often do not receive recognition that is due them. A pawn, if played right, sometimes is able to capture the king. Yet, often times, a pawn is not considered for this task. This is the case of the Sophomores. They possess the initiative and talents, but are restricted in exercising them. However, at Riverside, we feel that the Sophomores are a necessary group. We encourage them to express themselves in their own ways. Through this policy of ours, outstanding personalities already appear. We hope that in future years more advantages will be offered to these lower classmen. We believe that we should make them feel a part of our school, and should allow them to help in the execution of various school functions. When the members of the class of 1956 become Seniors, they will have opportunities as a result of their experiences as lower classmen.

Two Sophomores have had the distinction of topping the Riverside Honor Roll. They are Caroline Passage and Edmund Kaczmarski. Through her diligent efforts, Nancy Morrish was one of the top "ad-getters" for last year's yearbook. This year she sold the most ads.

The lovely soprano voice of Deanna Glasgow has won acclaim at Riverside.

The "Merriettes", a Sophomore volleyball team, won the runner-up position for the championship. The team captain was Sandra Burmeier.

Patricia Stachnik won the 100-yard backstroke last summer in the Junior Olympics held at Kensington High School.

We hope that by wise plays and moves on the chess board of school life, the Sophomores will eventually become kings.

Scholars Caroline and Edmund

Freshmen

Many outstanding personalities have come to Riverside as Freshmen this year from the local grammar schools. Among these are the grammar school presidents:

Sharon Jones	School 60
Michael Gidos	School 65
Arthur Wyckoff	School 51
Lee Cravatta	School 79
James Parwulski	St. Francis Xavier

Also Glenn Copello was president of his class in Horton Township, Pennsylvania.

Constance Cameron, Michael Gidos, Geraldine Koziol, and Stasia Mallast won Jesse Ketchum medals for scholastic excellence at their grammar school graduations last year. Constance has topped the honor roll at Riverside twice this year.

Congratulations to Scholar Connie!

Besides these many outstanding students, the Freshman class, as a whole, has been of service to the school. They provided much of the talent in the Annual Revue and have given their support to all of our school activities.

In order to introduce the Freshmen to Riverside, an orientation program has been devised. Each Freshman was invited to attend a party given by the P.T.A. in their honor, the first day of school. Also they had a class in the library at the beginning of the year to familiarize them with the facilities and services of the school library. Miss Sarah Ford and Mr. Lewis Miller interviewed each Freshman individually in an effort to help him in choosing future subjects.

We believe the class of '57 has a bright future ahead of them at Riverside, and we wish them the best of success. Good luck, Little Pawns. Study and play wisely.

Oh, you took our picture!

Did you say . . . Music?

QUEENS

Like Queens in a chess game the students have many activities in which to engage. As chess pieces cooperate with each other to achieve victory, the participants in activities learn to use cooperation to attain their goals. Without the queens a chess game is difficult to play; likewise, the student body loses its spirit and enthusiasm to work, without activities.

Skipper Executive Staff

The Executive Staff of "The Skipper" is almost completely made up of members of this year's Journalism class. Preparation of the yearbook has been the chief project of the class. This work has been invaluable in giving the class experience in writing, editing, proof-reading, and lay-out work. They have learned the importance of accuracy and promptness. Miss Zeh's own keen interest and her insistence on work of a high standard have brought the yearbook to successful completion.

Skipper Advertising Staff

Without a board, a game of chess is hindered; such is the case of advertisements in a yearbook. The Advertising Staff of "The Skipper", under the supervision of Mr. Renzo Renzoni, has helped to make this publication possible.

Interested students attended a meeting, at which time they received a list of prospective advertisers and contract blanks. Each student volunteered to contact at least one of these prospects and bring in an ad. This year, the staff sold 176 ads. Seventy-six students sold one or more ads to attain this number.

Their faithful cooperation with Mr. Renzoni and Wayne Leipold, the Advertising Manager, has resulted in the quality of this year's publication.

Art Staff

Art Editor Diane

Without the finely carved figures, a chess game becomes uninteresting and impersonal. Our yearbook would also lose its appeal if the work of the Art Staff were omitted. Their illustrations and pictures add color and originality to our book.

The Art Staff, under the guidance of Mr. Ray Helenbrook, is made up of Junior and Senior art students. Diane Raffel is the art editor.

Our sincere thanks are given to the Art Staff for their generous contribution to the success of our yearbook.

Gold Pin Scholarship

The honor roll of the school is published six times a year. Students who have achieved an average of 90 per cent or more are honored at bi-annual honor roll assemblies.

Eleanor Muszynski led the Senior class with an average of 96.348. Mary Clare Huber was second with an average of 95.409, and Audrey Young, third, with 95.181.

Students who have been on the honor roll all four year in high school have received the top award, a gold pin. Their scholastic superiority certainly merits the honor of their wearing gold pins.

Not included in the picture are Robert Meloon and Robert Masson.

Band

Our band, under the excellent direction of Mr. Harold Hull, has become a symbol of the music department of Riverside High School. It shows what the efforts of both students and director can produce. Our band strives for the best in band music.

The annual Spring concerts given by the band are a credit to our school. We have had very successful concerts in the past. This year's concert fulfilled the same expectations.

Some of the favorite songs among the band members are: "Malaguena", "Jabberwocky", and the "Washington Post March." One of our newest numbers is "Serenade to an Insomniac." This is a delightful fantasy.

Orchestra

The Riverside High School orchestra is an organization which should have much more recognition. We are one of the few schools in Buffalo with an orchestra. Under the supervision of Mr. Harold Hull, we have been able to keep this organization in existence.

It seems that orchestral music isn't appreciated so much as it should be. The orchestra is really doing a marvelous job. If it weren't for the orchestra, Senior Class Day and Graduation Day would be impossible. It is the orchestra that provides the processional and recessional music for both occasions.

Our Christmas, Easter, and Thanksgiving programs would be incomplete without the delightful overtures played by the orchestra.

Mr. Hull's Girls' Chorus

Not only do the girls of the chorus acquire musical training and enjoyment through singing, but they also make a large contribution to the school.

At special programs and assemblies they have entertained us. For example, the Christmas program included two of their numbers: "Shepherds Awake" and "Jesu Bambino", featuring Mary Ann Ivancic as soloist. At the annual Revue they sang "Blue Moon" and "If I Loved You."

We sincerely appreciate Mr. Hull's fine work in directing this group.

Miss Schulz's Girls' Chorus

This year, the members of the Girls' Chorus, under the capable and patient supervision of Miss Katherine Schulz, have contributed a great deal to our assemblies at Riverside. Some of the difficult numbers that were given, after weeks of preparation and rehearsals, were "Aunty Skinner's Chicken Dinner", "Jesus, Tender Saviour", Easter Alleluia", and "God So Loved the World."

These songs have made our programs memorable. We are deeply indebted to Miss Schulz and her choral group. We know they will continue to help make our assemblies enjoyable through the coming years.

Miss Schulz's Special Girls' Chorus

The Special Chorus, now in existence for three years, has developed into an important and remarkable choral group. Reporting to school early in the morning, they have attended rehearsals repeatedly day after day to learn the many and different new songs. Each one of the members has endeavored, to the best of his efforts, to cooperate in presenting a worthy musical program for our Thanksgiving, Christmas, and Easter assemblies, the annual Revue, and the Spring Concert. Some of the songs that have been presented are: "Easter Alleluia", "God So Loved the World", and "Joyous Easter Song."

15-year old Judy Burganger

Riverside High School is indebted to Miss Katherine Schulz for her imaginative and capable direction of this group. With her desire to present an entertaining and worthwhile musical program, the Special Chorus has brought many colorful moments into our assemblies.

Rostra

The "Rostra" is a Latin newspaper published by the Latin students under the supervision of Miss Eleanor Siegesmund.

Among the regular features of this bi-monthly newspaper are editorials, letters to the editor, class news, current events, accounts of Roman life, "inquiring reporter", and a column of the etymology of interesting words. In each issue there are special features appropriate to the season.

This publication stimulates interest in the Latin language among all of its readers and affords experience both in language and journalism to those who work on it.

Debate

Lafayette vs. Riverside

Under the competent direction of Mr. Robert Rentz, the varsity debate teams prepared for their annual debate competition. The topic for discussion by the schools this year was: "Resolved that the United States adopt a policy of free trade."

On April 2, our affirmative team debated at South Park while our negative team debated against Lafayette here at Riverside.

The faculty and student body of both schools can well be proud of their debate teams as they ably represented their cause. Thus, in working so earnestly toward the representation of their schools, these students have obtained valuable experience in public speaking as well as a knowledge of the subject matter.

Kathryn Szely, Rosalind Elson, Carol Fenlon, Louise Strumski, Beverly Parker, Nancy-Sue Eddy, Marion Borne, Mary Jane Lewis.

Girls' Declamation

An annual event of interest to the school is the Girls' Declamation Contest.

The girls who participated in this year's contest, held on December 2, were of superior caliber as the result of Miss Zeh's tireless efforts.

Unfortunately, Beverly Parker was unable to take part because of an appendectomy.

Nancy-Sue Eddy, the winner, held the audience's attention with a graphic story of a teen-age automobile accident, "Magic Night" by Rosemary Holland. She went on to place as runner-up in the All-High Contest.

The second place winner in our school contest was Marion Borne who related an imaginative and heart-warming Christmas story, "Christmas Morning" by Walter Haydock.

Of these eight girls, we hope that the three who are Juniors, Marion Borne, Kathryn Szely, and Patricia Russell, will again enter next year's competition.

Technical Crew

The Technical Crew of Riverside is composed of the Projection Crew, the Broadcasting Staff and the Stage Crew. All of these organizations assume important roles in the functioning of Riverside High School.

They are the invisible workers — hidden from view behind cameras, curtains, and microphones. Nevertheless, each one of their duties is important and must be diligently executed.

The *Projection Crew* supervises the operation of the special audio-visual aids used throughout the school. Members must also acquire a knowledge of the public address system and the stage equipment. Student assistants in charge are Ronald Reed and Lee Ginter. Other members are Owen Amann, Ray Ernst, Ernest Hoefner, Michael Metzger, James Parkinson, Gordon Weimer, and Raymond Fisher. Spotlights, movie projectors, and tape recorders are operated and maintained by this crew.

The *Broadcasting Staff* has been in operation for nine years. Although minute in size, it is large in scope. Every morning before classes, announcements concerning athletic activities, meetings, and important events are relayed via the public address system by the staff, composed of Judith Michel, Ronald Reed, and Ronald Crawford. These announcements are valuable to both teachers and students, who are kept well informed.

The *Stage Crew* is responsible for the props, microphones, switches, and illumination on the stage and in the auditorium. Robert Arkeilpane, acquaints new members with the various mechanisms. Regular members of the crew are Theodore Bober, Keith McKendrick, Ronald Pawlik, and William Smith. Theirs is a task requiring much preparation and careful deliberation. Their accomplishments were obvious in our annual Hi-Y Show.

We are truly indebted to the *Technical Crew* for their fine work throughout the school year. Special recognition also goes to the faculty supervisors: Mr. Lewis Miller for his aid to the Projection Crew, and Mr. Robert McGowan, for his patient instruction to the Stage Crew and the Broadcasting Staff.

Sailed: March 16, 1954 from Port "Two-six-five"
Docked: March 17, 1954 at Port "Two-six-one"

Now we'll see the sea from a wider view,
And give better service to patrons true.
We've sailed our good ship to 2-6-1;
With plenty of room, we'll have lots more fun.
No more pushing or shoving one around
Now that Skipper and Crew have lots of ground.
Plenty of storage for articles new,
All nicely displayed, waiting just for you.
Waves start rolling at 8:20 a.m.

We're swabbing decks at 8:40 a.m.
Our Skipper, Miss Engel, comes in to check
To see that our Porthole hasn't been wrecked.
We scurry about and do work just so
To replace the stock that is getting low.
Now we are set for the very next day
Just raring to go regardless of pay.
Your trade is valued by Skipper and Crew.
Many thanks and good luck to all of you!

Girls' Small Council

"With this pin, I pass on to you the duties and pleasures, privileges and responsibilities of the Girls' Small Council." This speech was repeated ten times last May to ten very happy girls at the annual girls' assembly. We did not realize then what was ahead of us as members of the student government of Riverside High School, but came back this September eager to begin our duties.

The first major task was the Girls' Assembly at which each member of the Council explained her duties and introduced her monitors. In November, plans were begun for a Christmas party for the honor roll students. In February, a party for the members of the Large Council was also given.

This March a meeting was held at the City Hall to organize an inter-school council. Catherine Raymond and Ronald Szczypkowski were sent to represent both the girls' and boys' Small Councils. Although this city council will not begin active work this year, we have great hopes for the future.

The girls on the council wish to thank the faculty and student body, especially Miss Alene Snell, our adviser, for their assistance and cooperation this year. Our experiences on the council have been invaluable to us, and we hope that our work has been of help to the school.

Boys' Small Council

In keeping with tradition at Riverside, the Boys' Small Council, with Mr. Arthur Downes as adviser, was again active this year.

The council endeavors further to develop school functions and to set an example for respectable student behavior.

The Small Council has as its aims, leadership experience for its members in conducting a democratic student government and participating in important school organizations.

The Small Council has representatives in these functions of the school. James Robson is the student representative to the Riverside High School and Community Association. Richard Koch is in charge of the Senior home room attendance records. Gerald Fiedler and James Robson maintain the Senior home room bank accounts.

All members of the council have assembly duties and direct hall traffic for quick and efficient transition of students to and from assemblies.

The Riverside High School and Community Association

Completing ten years of service to school and community, we look back and feel that our efforts have been worth while. Our association endeavors to link together the school, home, and community so that our youth will have all possible assistance in fitting them for the future.

Each year we buy some needed equipment for the school. One gift this year was a record player for use in the modern language department. The service scholarship will be awarded again this year.

Our programs have been informative and interesting. Among the speakers at our meetings this year were: Mr. Elmer Tropman, Executive Secretary of the Council of Social Agencies for Buffalo and Erie County; Dr. Irvin H. Himmele, Co-ordinator for secondary schools; Dr. Harvey M. Rice, President of Buffalo State Teachers College; and Dr. Parmer L. Ewing, Superintendent of Schools.

Future Nurses Club

Initiating its first year at Riverside, the Future Nurses Club started enthusiastically last November. Under the supervision of Mrs. Harold Johnson, the wife of a physician, the club was organized to give girls, interested in nursing as a career after graduation, a chance to learn more about the profession.

On Sunday afternoons, the members visited hospitals, such as the Deaconess, Meyer Memorial, and Buffalo General.

At their meetings on Thursday afternoons, the girls discussed qualifications for nursing, advantages and disadvantages of nursing, and the scholarships given at graduation time. Guest speakers at some of the meetings were Miss Doris Young, from the Deaconess Hospital; Miss Helen Fisher, President of the Western Division of the National League for Nursing; and Miss Mary Garvey, our school nurse.

World Affairs Club

The purpose of the World Affairs Club is to create better understanding of international problems. During the year the club has had many activities which have led to the attainment of this goal.

On November 18, the club sponsored an assembly with Mr. Sam Elias as the speaker. His topic was "The Far East." There have also been speakers at the meetings, held on alternate Thursdays after school. Some of these speakers were: Mr. Hillery, who related his experiences as an exchange teacher in one of England's schools; Dr. Calkins, who told about transportation in England; Miss Randall, who explained the organization and functions of the Adult Education Association; and Mr. Dressler, who discussed the conditions of tensions which exist in the world today.

Under the guidance of Mr. Robert Rentz, the members have had a very profitable year.

First row—Richard Dick, Rosalind Elson, Francis Lazik, Richard Wright, Theodore Szymaszek, Gerald Masury. *Second row*—Wayne Leipold, Ronald Crawford, James Heider, Eugene Sarkany, Harry Pikas, Russell Battaglia.

Chess Club

"Check, check mate!" These are the words that ring through the air of the conference room every Monday when the Riverside Chess Club meets. Everyone of the twelve members has mastered this complicated game. Their agile minds are quick to sense the importance of every move. They become apt in the art of concentration. Two of the champion players are Eugene Sarkany and James Heider.

Many of the players provide chess boards and men of their own with which to play, but when a set is needed, Mr. Arthur Downes generously donates one belonging to him.

Good sportsmanship is the primary goal of this club. Willingness to accept anyone as a member is also a policy of this organization. All are welcome regardless of whether they know how to play or not. Freshmen, Sophomores, Juniors, and Seniors are all welcome.

Mr. Ray Spear has acted as sponsor for the Chess Club this year.

Key Club

The Key Club, sponsored by the Kiwanis Club of the Riverside Community, is organized for service. The fundamental objective of the Key Club is to build a better community. Assisting the underprivileged, conserving our natural resources, and unselfishly serving our faculty and school are a few of our objectives.

The club's main purpose this year was to establish interest in the formation of a stronger and better link between the community and the school. We have endeavored to build a solid foundation on which future Key Clubbers will be able to organize in each succeeding school year.

This year, as a service project, the Key Club gave the school a frame for the new motion picture screen. As another service, the members sold refreshments at basketball games and donated the money from the sales to the Polio Cause.

Girls' Hi-Y

The purpose of the Riverside Girls' Hi-Y is: "To create, maintain, and extend, throughout the school and community, high standards of Christian character." We have tried to fulfill our purpose under the capable guidance of Mrs. David Wilson.

Our service projects for the year include contributions to the Association for the Health of Retarded Children and the Cerebral Palsy Clinic. We have also given records to the English Department of the school.

Eleanor Muszynski, our club representative, was sent to Albany with our bill: Student Government in Schools.

During the past year, we have had joint meetings with the Technical, Seneca, and Kenmore Boys' Hi-Y, a slumber party, a hayride, a splash party, and a mother-daughter tea. The highlight of our activities for the year was our week-end trip to Alleghany in May.

Boys' Hi-Y

The purpose of the Hi-Y is to: "Create, maintain, and extend throughout the school and community, high standards of Christian character."

With this in mind, the Riverside Boys' Hi-Y has completed another year of activity.

As an area representative, Ward Johnson was sent to Weona to sit in on a series of conferences, along with students sent from other area clubs. Our annual Coronation Ball, joint meetings, and interesting movies have contributed much to our success.

We wish to thank Mr. Jack Smith, our capable adviser, for his able assistance and guidance during the past year.

Throughout the past year our various activities consisted of a hayride and a joint meeting with the Bennett Boys' Hi-Y. We have served for many dinners and have donated money to the Protestant Home for Unprotected Children and to the Community Chest.

The activities in which our club participated during the year are as follows: joint meetings with boys' schools, a city-wide skating party, swimming parties, and a Pre-Thanksgiving dance. During the Christmas season we had a city-wide Brother-Sister Party, and in February we sent Peggy Barr and Kay Cravatta to the Mid-Winter Conference in Warren, Pennsylvania.

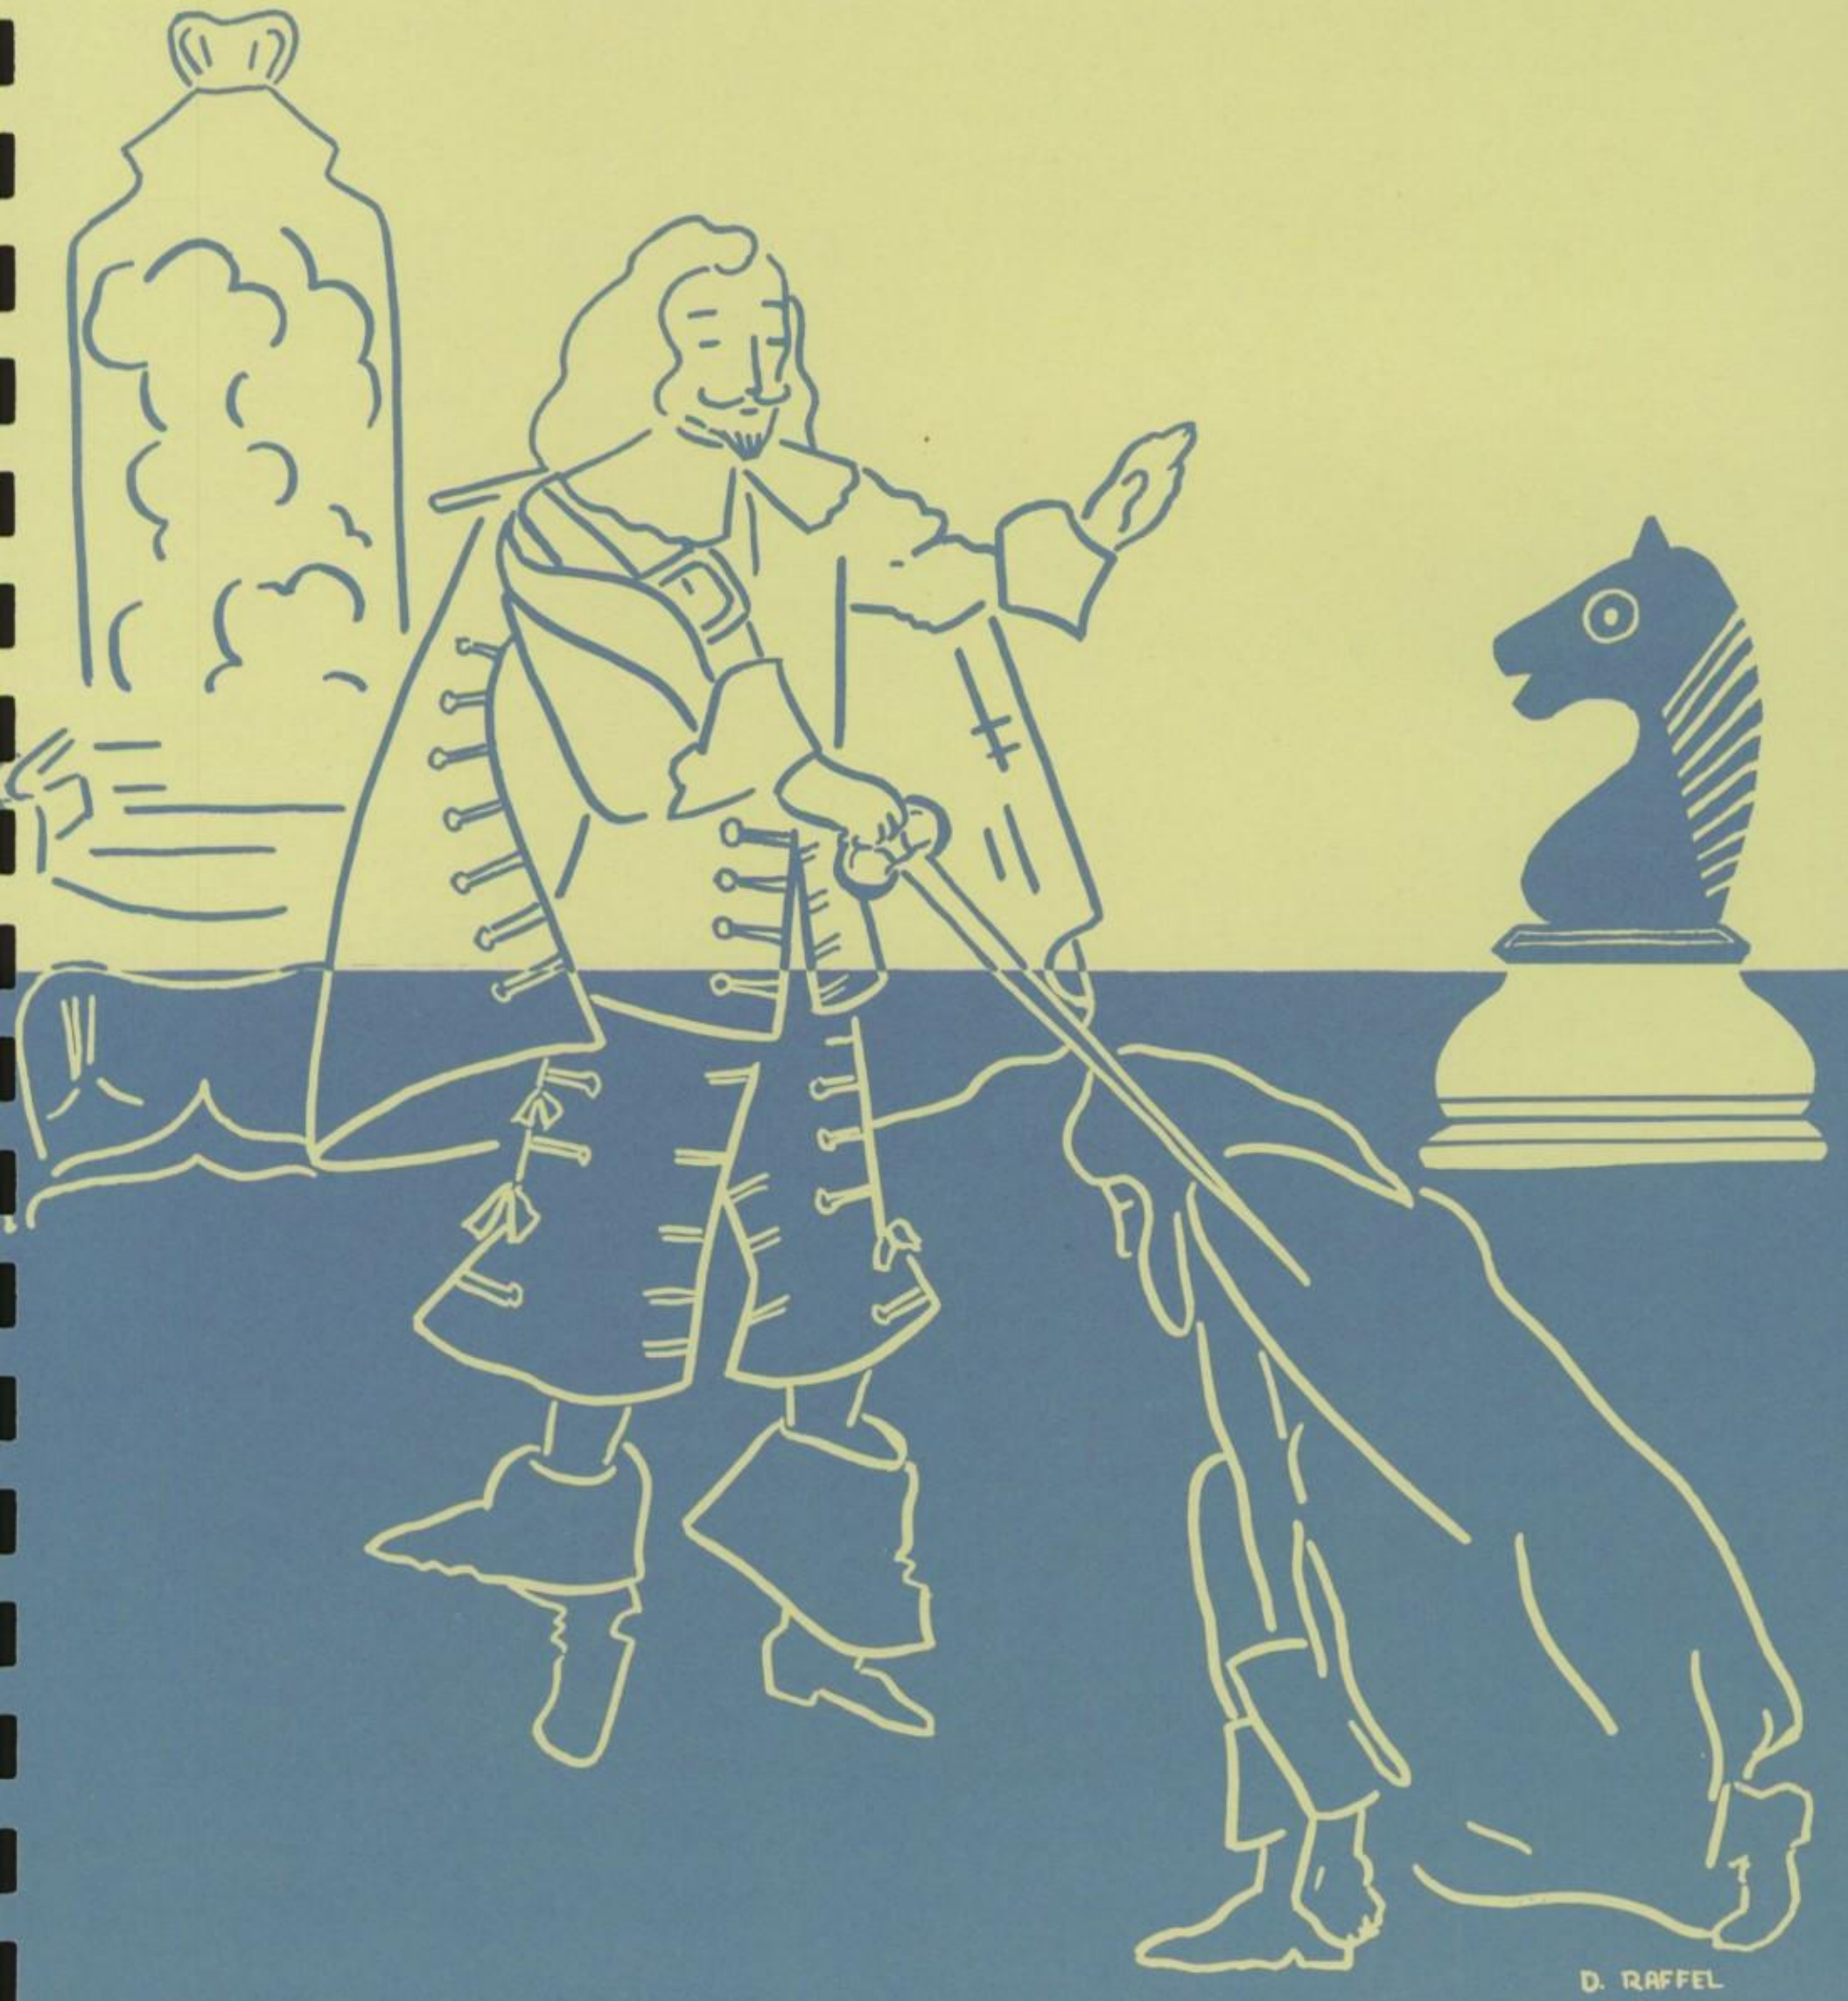
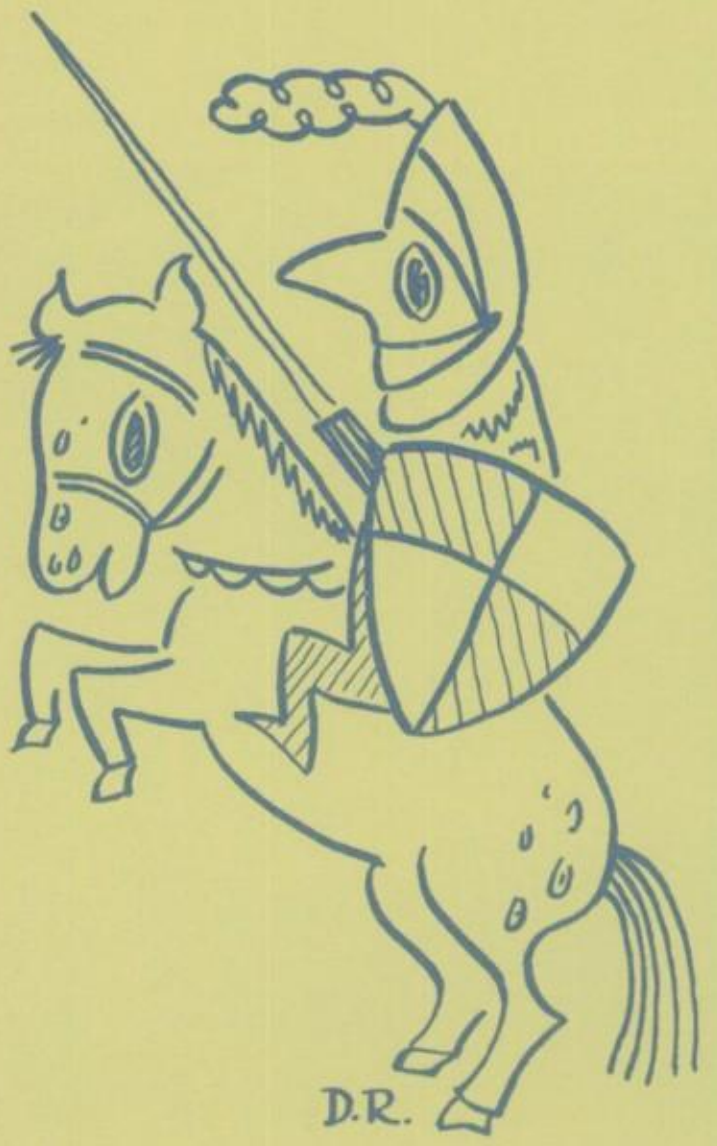
SPORTS



KNIGHTS

The knights signify love of competition through their daring and laudable feats. Like chivalrous knights of old, they encounter their adversaries according to a code of good sportsmanship without resorting to underhanded methods. Working "en masse" as a team, our chance of victory is increased greatly.



Sally Stefanik, Sam Carson, Teresa Pawinski, Beverly McNulty, Elizabeth Pawlik, Cosma Logan, Fred Kruse, Josephine Kozacki.

Cheerleaders

Of thirty students who originally competed for cheerleading, nine were selected. Cosma Logan, Captain; Teresa Pawinski, Co-captain; and Josephine Kozacki are comebacks from the previous year. Mr. Louis Masson is the adviser.

The old and new cheers, the humorous skits, and the pep of the cheerleaders put the students in an enthusiastic mood and our athletes in a fighting spirit, which helped to win our games or give us morale.

The students of Riverside appreciate the time, enthusiasm, and good work of this small, vital group.

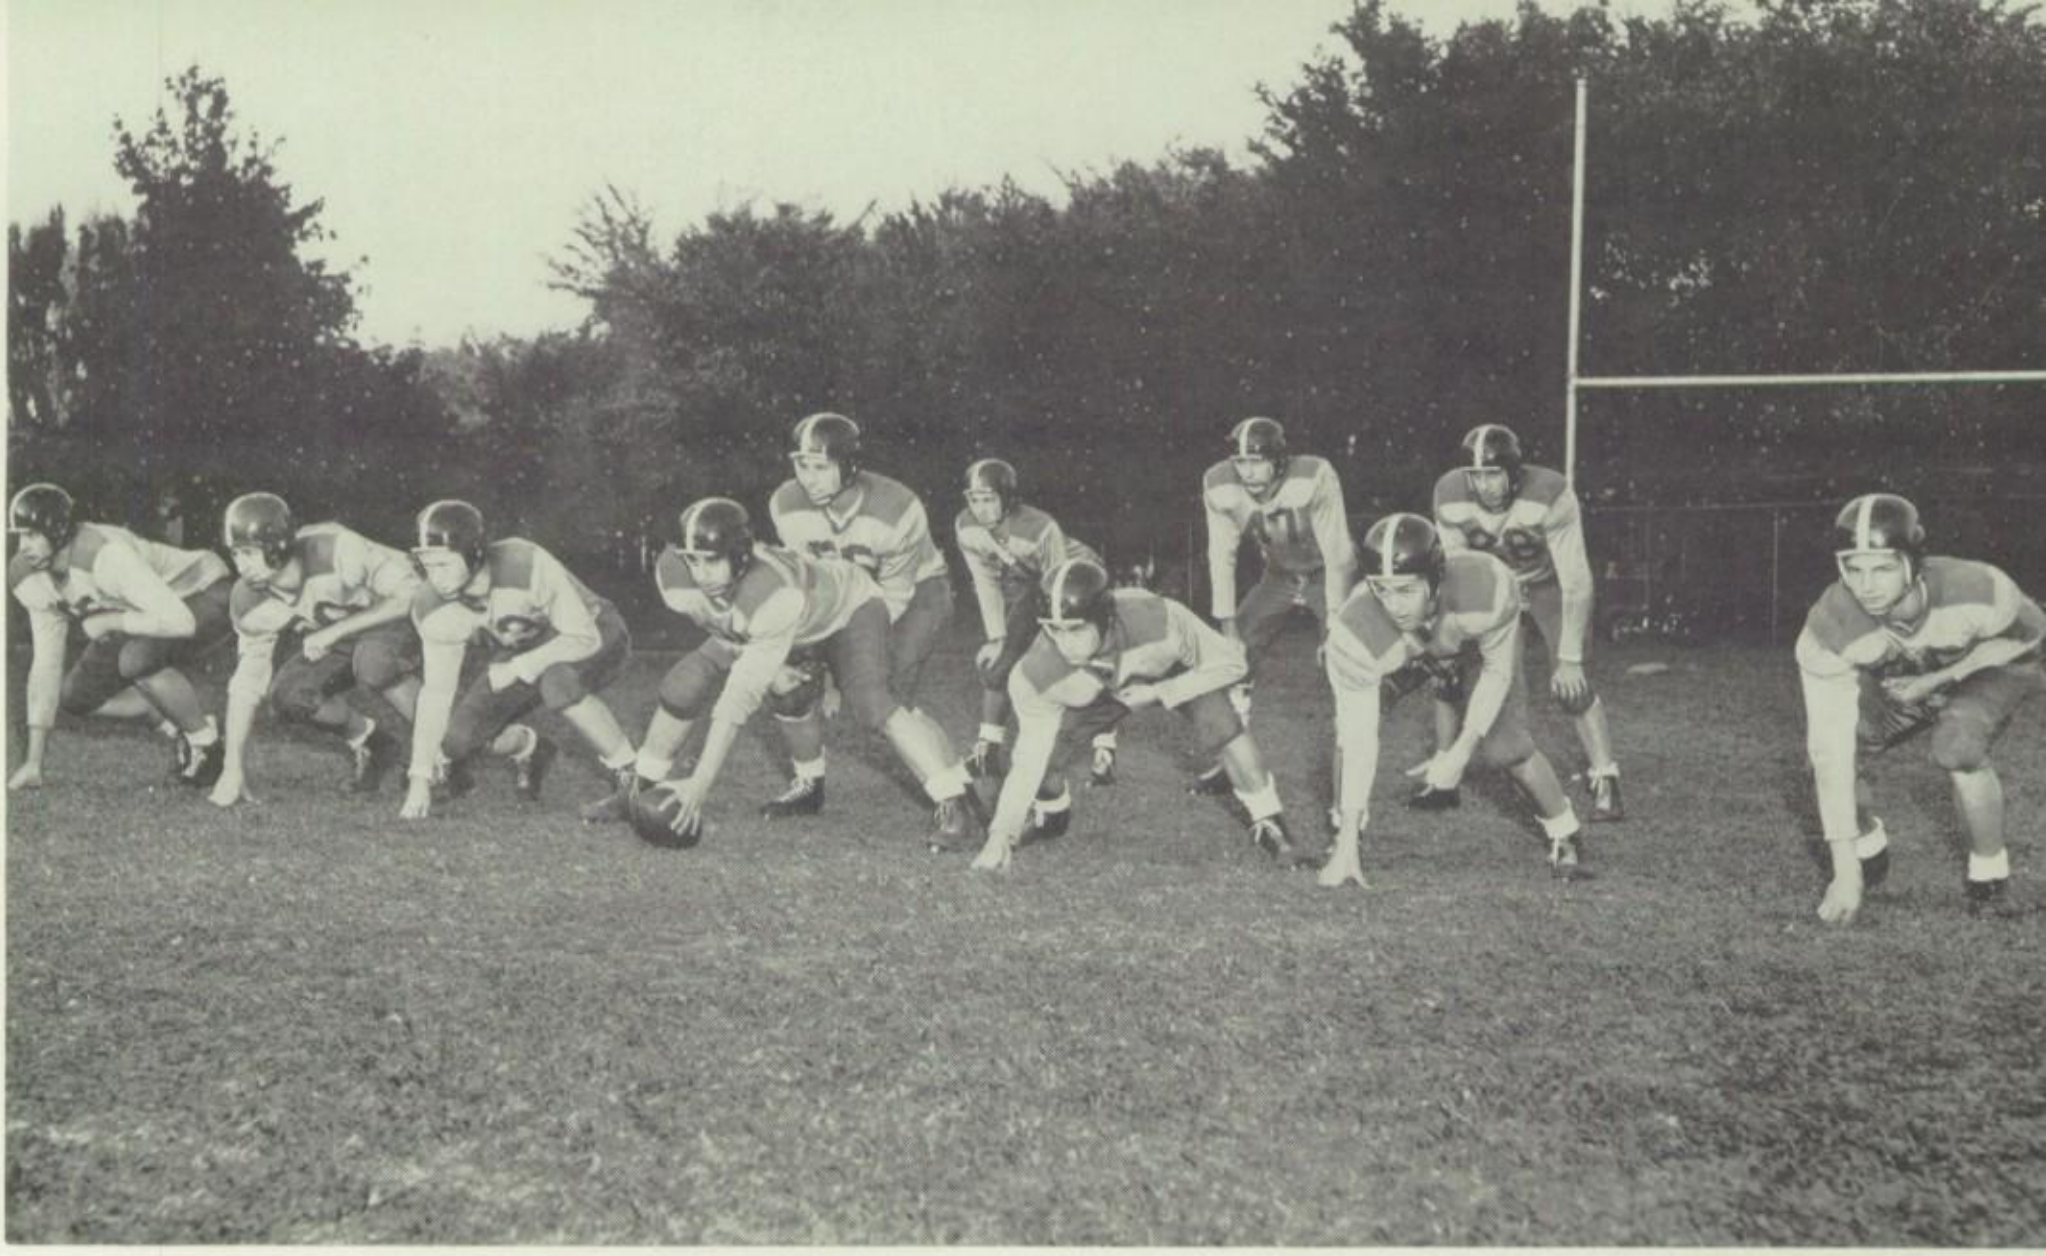
Football Team

Riverside's Football Team, under the fine coaching of John Walker and Jacques Austin, came through the 1953 season with a won 4, lost 2 record. Playing under one league with eleven teams competing, the Frontiers finished tie for third place.

The R. H. S. gridders piled up a total offense of 113 points for the six games played, tops in the league and the highest total of our school since 1937. Riverside defeated arch-rival South Park, 33-13; Grover Cleveland 33-0; Lafayette 21-7; and McKinley 13-0. The Frontiers lost two close games, one to Bennett, 21-7; and the other to East 15-6. We also were the only team in the league to score on the league's champion, East High.

Ron Pawlik, quarterback, and Ron Szczypkowski, end, were named on the All-High Team. Ray Mitchell was picked on the second team with Bob Arkeilpane, Gerald Watson, and Don Sikora receiving honorable mention.

On the whole, our Purple and Gold Team had a very successful season, the best in three years. Next year's team looks equally good with a few key lettermen returning. Let's hope the Columbia Cup will be at Riverside next year.



Front—Robert Farrell, James Yeates, Richard Koch, Robert Arkeilpane, James Fellner, Ray Mitchell, Ronald Szczypkowski.
Rear—Ronald Pawlik, Donald Sikora, Joseph Gadzo, Gerald Watson.

Boys' Basketball

Last June's graduation stripped this year's team of most of its championship material. The team was, therefore, lacking in experience.

However, with Mr. Ronald Moody's coaching, the Riverside cagers, after a slow start, produced the biggest upset of the season by a narrow margin over first place Kensington.

By defeating the Grover Cleveland Cagers, Riverside earned a tie for fifth place in the league. It was in this game that big Bob Farrell showed unusual spark by scoring 45 points for Riverside.

John Lumadue, Ronald Jankowski, and Raymond Mitchell, who will return next year, give us hope for a championship team next year.

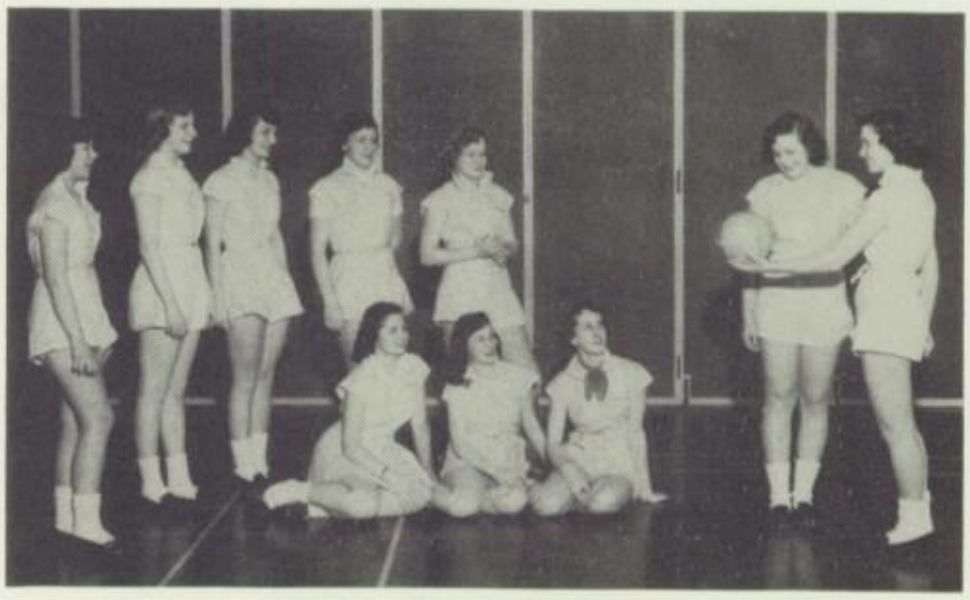
Girls' Volleyball

The whistle blew and another volleyball season at Riverside was under way. It was, most certainly, a season of keen competition.

Because of their enthusiasm and interest in the game, the girls were able to learn new volleyball techniques and also develop their mental and physical keenness.

The victors of the interclass playoffs were the Volleyettes, comprised of senior girls. The captain of the victorious team was Judith Stiegman.

We attribute the success of our volleyball season to Miss Brettle and Mrs. Stapleton, our most able gym instructors.



Runner-up Team

Row 1—David Winnie, Edwin Pfohl, William Lapiana, John Marvin, Gerald Gergley, Ray Fisher, Ernest Hoefner, Raymond Prohaska, Charles Brennan, Gene Adams, David Camardo, Richard Egedi. *Row 2*—Gordon Weimer, James Papke, John Miles, Richard Marsh, James Parkinson, Thomas Dzielski, William Roth, Fred Kruse. *Row 3*—Mr. Chester Lesniak, Joseph Nuhn, Owen Williams, Ronald Balch, Ronald Szczypkowski, Thomas Jones, William Schechterly.

Boys' Swimming

This year the swimming team under the leadership of Mr. Chester Lesniak and Mr. Joseph Sweeney got off to a shaky start. As there was some uncertainty as to which boys were to swim in each event, the team lost its first two meets. However, although we lost the third meet, we gave the Kensington champs a terrible fight. After these three defeats, the squad bounced back to sink Bennett and Lafayette.

Mr. Chester Lesniak

The squad this year had only five returning lettermen: Joe Nuhn and Owen Williams, Co-Captains, and Ronald Balch, Richard Marsh, and Ernie Hoefner. Two of these lettermen, Joe Nuhn and Ernie Hoefner, made All-High this year.

Next year the team will be better balanced with the returning of ten lettermen plus the addition of five up-and-coming Freshmen. These freshmen are John Miles, John Marvin, Ronald Klusek, David Winnie, and Ray Prohaska.

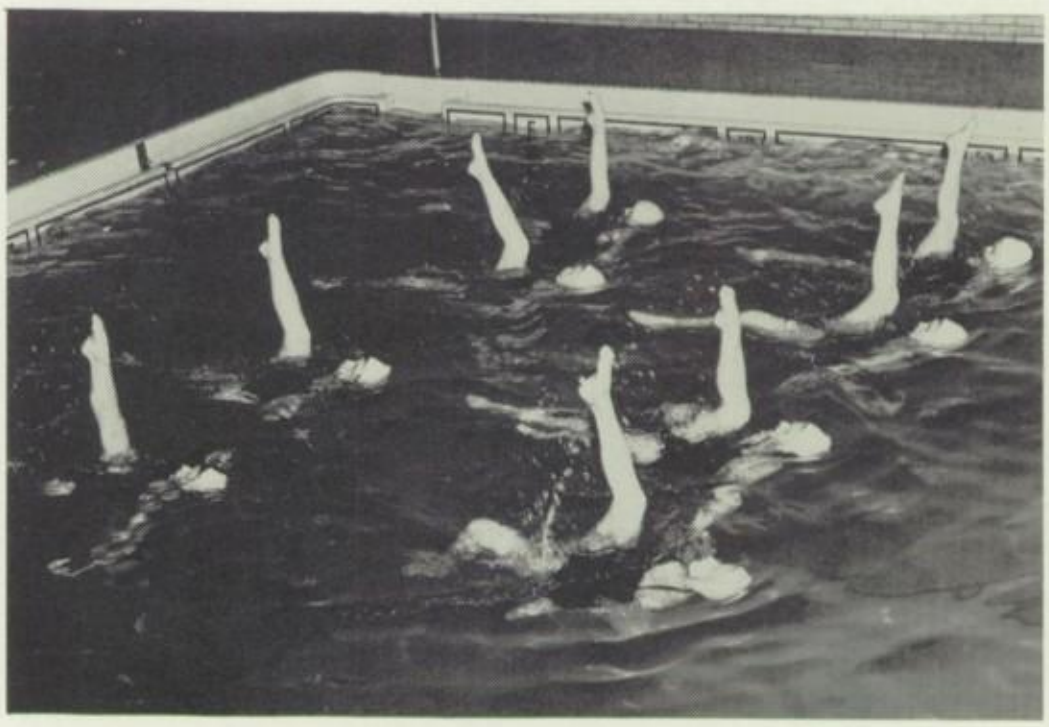
Front row: *left to right*—Eileen Murphy, Marjorie Michaels, Mary Ann Johnson, Lynn Poerschke, Joanne Szalay, Ildiko Sarkany, Sue Hylant, Patricia Biringer, Arlene Wiedrick. *Second row*—Rosalie Miles, Catherine Gushue, Caroline Passage, Jeanette Haynos, Dolores Egressy, Judith Stiegman, Mrs. Mildred O'Hern, Mary Clare Huber, Carol Large, Barbara Secic.

Girls' Swimming

Under the guidance of their patient supervisor, Mrs. Mildred O'Hern, the aqua-maids of Riverside have experienced a most profitable, as well as enjoyable year of swimming. Earlier in the year, the girls attended practice lessons to build up their speed, ability, and endurance. Later, these same girls were timed for their speed and carefully chosen for the class teams.

Following the meets of the class teams, the Purple and Gold teams were made up, consisting of the best swimmers. Three meets are held between these two teams. The champion is the team winning two out of three meets. The losing team gives a splash party for the winners.

Each year more girls are participating in this sport. It is evident that it will continue to be a most enjoyable and healthful sport for the future mermaids of Riverside.



Aqua — Acrobats

Row 1—Ronald Frederick, John Parwulski, William DeCelle, Owen Williams, Ronald Cameron, John Miles, Mr. Ronald Moody, Coach. *Row 2*—Ronald Young, Manager; Frank Barr, Ray Ernst, Floyd Centore, John Stachowicz, Thomas Harnisch.

Cross Country

Struggling Up the Home Stretch

The cross country team once again proved itself a credit to Riverside. Led by Mr. Ronald Moody, the boys trained hard and put forth their greatest efforts at every meet. They were, however, handicapped by the loss of William DeCelle, Richard Watson, and Owen Williams, who sustained injuries during the season. As a result, the squad finished ninth in the city.

In the All-High meet, Riverside's runners placed as follows:

John Parwulski	11th
Frank Barr	53rd
Ray Ernst	55th
John Stachowicz	59th
Owen Williams	65th

The performance of this year's cross country team has shown that we may expect a really successful season next year.

Row 1—James Yeates, Ronald Young, John Miles, John Parwulski, Frank Barr, Thomas Harnisch, Owen Amann, Richard Egedi, Gerald Leib. *Row 2*—Robert Arkeilpane, Theodore Nowakowski, Owen Williams, Richard Levea, William DeCelle, Eric Hammerschmidt, Floyd Centore, James Papke. *Row 3*—John Palmeri, Gary Ruller, Robert Baker, Robert Schroeder, Gerald Masury, Richard Dietrich, Charles Polnino, William Murphy, Michael Gidos. *Row 4*—Elio LaForte, Thomas Rowley, Arthur Leggett, Robert Cartwright, John Stachowicz, Paul Stenman, Ronald Frederick, Gene Adams, Charles Tobe, Gerald Gergley, Mr. Eugene Heck.

Track

This year's team lost few players from last season, and therefore, made an impressive showing for themselves.

Faced with the task of helping their new coach, Mr. Eugene Heck, the cinder-path fleet-foots came through in the clutch. They were handicapped by a late start in practice but proved they had ability and stamina.

Among the boys to lead the team were Owen Williams, William DeCelle, Ray Ernst, Frank Barr, and John Biringer.

Johnny Makes the Final Effort

Row 1—William Hallett, Robert Bennett, Joseph Evans, James Kernahan, Jack Tokarczyk, Gerald Watson, Ronald Szczypkowski, Ronald Pawlik. *Row 2*—Michael Krakomberger, Robert Schaetzer, Henry Trzeciak, Charles Broncato, Arthur Wyckoff, James Parkinson, Edward Shaw, Thomas Bevan, John Lumadue. *Row 3*—Ronald Jankowski, Joseph Yadloczky, Richard Dick, Michael Gallagher, Raymond Fisher, Robert Chamberlin, Chester Dryja, Theodore Brenkacz, Lawrence Biggie, James Batcho. *Row 4*—Edward Chamberlin, Martin O'Mara, Donald Evchich, John Geisen, Conrad Kushman, David Milak, Joseph Valint, Roger Haines, Robert Grzelka.

Boys' Baseball

Jacques Austin, Coach

As a result of the graduation of most of our top men last year, the baseball team began as an "underdog" in this season's games. However, led by the spectacular pitching of Bob Chamberlin, the team went on to victory in its league and finally defeated Bennett for permanent possession of the Cornell cup.

Each member of the team did his best to bring this honor to Riverside High. Some of the outstanding players were Jerry Watson, Joe Evans, Ron Pawlik, Bob Bennett, Hank Trzeciak, Jack Tokarczyk, John Lumadue, and Jim Kernahan.

For their hard and untiring work, both in practice and in actual competition, the team is to be congratulated.

Row 1—Marlene Dietrich, Joan Fish, Carol Large, Elaine Abelli, Eleanor Touvell, Yvonne Fortune, Patricia Davisson. *Row 2*—Audrey Young, Ethel Johnson, Elaine Bardak, Judith Stiegman, Beverly Parker, Dolores Egressy, Dorothy Diringer. *Row 3*—Eleanor Muszynski, Catherine Cash, Mary Wojciechowski, Joseph Kozacki, Mary Clare Huber, Donna Liebler.

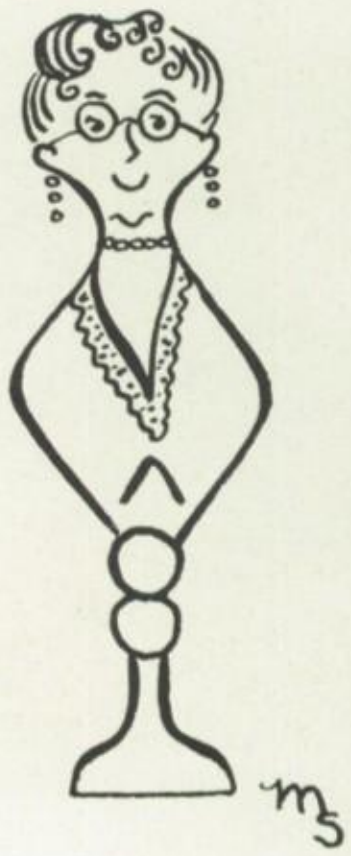
Girls' Gold Pin Award

The final goal in girls' sports competition at Riverside is the gold pin. This award is presented to Senior girls who, during their four years, have accumulated a total of 500 points.

As Freshmen and Sophomores, the girls may earn 150 points each year. Thus, during their busy Junior and Senior years they need earn only 100 points to reach their objective.

Girls may obtain points by participating in such sports as basketball, volleyball, baseball, swimming, bowling, badminton, ice skating, roller skating, horseback riding, hiking, and tennis.

We should like to express our sincere appreciation to Miss Dorothy Brettle and Mrs. Helen Stapleton, who have helped us achieve this goal.



Row 1 — Edmund Kaczmarski, Brian Roe, Edward Bujalski, Newton York, Russell Battaglia. *Row 2* — John Grubiak, David Camardo, Gerald Szustakowski, Ronald Andre, Conrad Lyons, Michael Costin.

Tennis

This year's team was centered around the only two returning lettermen from last year's record-breaking team, Ronald Andre and Gerald Szustakowski. However, with the addition of a few Sophomores and Juniors, the team became well-balanced and made a fine showing.

The team found themselves with a new coach, Mr. Ronald Moody, who replaced Mr. Lewis Miller. After a quick adjustment to the new sport, Mr. Moody led his forces to an impressive position.

Row 1—Carol Hilmey, Carol Rindfleisch, Sandra Burmeier, Margaret Geis, Mary Lou Calder, Anna Bryans, Moira Oatmeyer, Betty Ann Thuman, Nancy Williamson, Doris Wallace. *Row 2*—Diane Devald, Jeanne Lee, Alberta Dahmer, Carol Fernbacher, Charlotte Jensen, Catherine Richmeyer, Carol Cooper, Josephine Rusinek, Gail Hoy, Ildiko Sarkany. *Row 3*—Charlyn Kindron, Dorothy Diringer, Donna Liebler, Gloria Barth, Salley Toomey, Marcia Wolynska, Constance Cameron, Theodora Ann Luke, Sharon Jones, Helen Wagner. *Row 4*—Virginia Allbright, Susan Galloway, Gail Christ, Marjorie Michaels, Gail Baldauff, Catherine Gushue, Marlene Dietrich, Margaret Nalezenec, Catherine Karpie, Nancy Albrecht.

Badminton

Badminton is rapidly becoming one of the most popular girls' sports at Riverside.

Every Tuesday afternoon, approximately sixty girls assembled in the gym to receive instructions from Miss Brettle and Mrs. Stapleton. Because so few of the girls were acquainted with the game of badminton, no official tournaments were held. Rather, instructions were given regarding the various procedures and techniques of the game.

It is expected that within the next few years the girls will have acquired the necessary skill and technique to be able to conduct badminton tournaments. Among this year's outstanding players were:

Dorothy Diringer
Moira Oatmeyer
Catherine Gushue
Donna Gushue
Roseanne Roach
Marcia Wolynska

Kneeling: left to right—Harold Farren, Richard Wright, Robert Beringer, Russell Battaglia. *Standing: left to right*—Harry Hall, Steve Martinek, Joe Dittiger, David Milak, Joseph Barrett, Mr. Arthur Allegretti, Gerald Masury, Richard Dick, Ronald Vince, Brian Roe, Robert Cartwright, Ronald Crawford.

Boys' Bowling

The annual boys' bowling at Riverside High School was held at Rung's Bowling Alleys on Ontario Street every Tuesday afternoon directly after school.

The boys did not form teams this year, but they exercised great skill in their competition against one another. The highest scores were made by:

David Milak	204
Bob Biringer	196
Joe Barrett	193

These three boys were also tied for high average of 160.

Since the introduction of bowling by the Senior boys of the class of '52, bowling has won favor in the hearts of the "knights" of Riverside.

Row 1—Anna Kay Coles, Marcia McNutt, Catherine Karpie. *Row 2*—Joyce Denman, Donna Conley, Helen Yambor, Harriet Papadakis, Cosma Logan, Yvonne Fortune, Nancy Derrick, Dolores Thomas, Joanne O'Keefe. *Row 3*—Mary Ellen Hazelton, Audrey Hussak, Janelle Cotter, Joanne Young, Elaine Engelhardt, Marguerite Toth, Dorothy Huber, Joan Tobe, Rosalie Miles, Stasia Mallast. *Row 4*—Nancy Dombrowski, Betty Kocsis, Janice Archibald, Donna Henning, Sandra Klemp, Arlene Kazmarek, Shirley Fedo, Audrey Whittingham, Joyce Eisele. *Row 5*—Mary Wojciechowski, Carol Mandura, Jean Williams, Arlene Piekarski, Carol Ryzynski, Margaret Geis, Carol Hilmey, Carol Rindfleisch, Carolyn Kuebler, Sharon Jones. *Row 6*—Diane Orszulak, Alice Gielinski, Mary Diringer, Margaret McGregor, Geraldine Koziol, Rosalind Palermo, Joan Williams, Alice Wilson.

Girls' Bowling

Striking away the winter weeks every Tuesday afternoon, December 1 - January 19, the girls of Riverside struck, spared, and even gutter-balled another season of bowling at Rung's Bowling Alleys. Under the guidance of Miss Dorothy Brettle and Mrs. Helen Stapleton, they exhibited themselves to be "champions" and displayed excellent sportsmanship.

The high scorers were:

Marcia McNutt	159
Catherine Karpie	145
Jane Leib	139
Stasia Mallast	138
Dolores Foremiak	130

Through this sport the girls have received good training in coordination, accuracy, cooperation, and perseverance.

Sturner's Scholarship

Samuel Sturner, a Riverside businessman, has helped seven of our Riverside graduates finance their college education. This financial aid was drawn from the Sturner Scholarship Fund.

Each year, since 1952, Mr. Sturner has set aside $350 to be divided among deserving students in Riverside's graduating class.

In 1952, when the scholarship was awarded for the first time, the recipients were Dorothy Babinsky, Joyce Gilbert, and Winona Smith. Last year the scholarship went to Barbara Miller, Herbert Langford, Walter Platek, and Roland Stevens.

We wish to express our appreciation for Mr. Sturner's interest in Riverside High School and its graduates.

Wayne Leipold obtains Mr. Sturner's ad.
